Y4 Busy Bee, in my opinion, is one of the best animals produced by the Yates program. She is an easy keeping, large bodied cow. She is a striking brindie, with a low rolling horn set, that just **KEEPS GROWING**. Her sire, Y4 Tuff Act to Follow is a fairly underrated Cowboy Tuff Chex son. He is a consistent producer, that will enhance the dam. Speaking of the Dam, Dora the Explorer 907, silly name, serious cow, is Busy Bee's mother. She is a
